- Read testimonials from Yetter customers and dealers to find out how they have adapted Yetter products to their operations.

Repair, Replace, or Refund: Yetter Guarantees Performance

The best products deserve the best guarantee. The Yetter guarantee is simple. If, during the first 30 days, your Yetter equipment doesn't perform as promised, and if we don't make it perform in a reasonable amount of time, we'll repair it, replace it, or buy it back.

Vertical Tillage Attachment Option for Maverick™ HR Plus®

Creates a multifunctional tool for light spring soil work

- Makes the Maverick™ strip-tool tool usable in the spring as well as fall
- Warms the planting zone by gently stirring cool, wet soil
- Features two 18", wavy-blade coulters spaced 6" apart
- Uses same coulters as popular Yetter 2982 Vertical Tillage Attachment
- Tills 5" to 8" area
- Bolts directly to Maverick shank in place of the knife

Rock Trip Auto Reset Option for Maverick™ HR Plus®

Smooth operation in rocky terrain

- Trips the fertilizer knife when an obstacle is encountered
- Knife automatically trips back into place, eliminating the need to leave tractor cab to reset knives or replace bolts

Operating manuals for all Yetter products are available online. Visit www.yetterco.com and click on "Manuals."
