

Shattertine®

Effective Aeration - where you need it - when you need it

*The high strength **Shattertine®** is specifically suited for use on sports fields, golf course fairways and roughs, and all large areas of maintained turf grass.*

*The unique angles and offsets of the **Shattertine®** crack and shatter the compacted soil 6" and deeper. The results are improved soil air/water balance, increased microbial activity, and better fertilizer usage.*

Advanced Aeration Systems

*Only patented AerWay® Shattertines®
lift and fracture tough soil to increase air, water,
and nutrient movement.*
